Recording Scavenger Hunt

Use your recorder to record a clip for each task on the list. Unless otherwise stated, record with MIC Sensitivity on LOW.

Record #	Recording Task	Notes
	With **MIC Sensitivity on High**, answer the question "why did you join Coding for Community?" (That's this program)	
	With **MIC Sensitivity on Low**, have your partner answer the question "why did you join Coding for Community?"	
	Record saying your address while **far away** from your recorder.	
	Record your partner saying their address while **very close** to the recorder.	
	Make a 2 minute recording **outside**.	
	Make a recording of a one question interview with your partner somewhere with **an echo**.	
	Record answering a question while being **too loud**.	
	Record answering a question while being **too quiet**.	
	Make a recording talking about a restaurant **near someone that's talking**.	
	Explain what your favorite class was last year and why **near a machine making noise.**	
	Write down a question and your answer. Make a recording **saying what you wrote down.**	
	Make a recording **talking to an adult**.	
	Make a recording with the recorder **sitting on a table** in front of you.	
	Record your partner counting to 20 while **moving the recorder around**.
