

MY

~~Our~~ Father

Baylee Wetzel

Who art in Heaven,

*tick . tick . tick .*

Assurance it still beats.

Still he lays. But -

*still he stays.*

Hallowed be Thy name;

*warm tears fall*

*on*

*cold hands, dead hands.*

*raisins of FingerTIPS, and*

*FLAT BEETLE EYES.*

Thy Kingdom come,

*ring . ring . ring .*

I try to answer, but my palms

*are nailed down...*

*He, bringer of sight! Taker of Life!*

Thy will be done

*Bedroom sheets - sheets of ice*

*atop mere body-*

*hibernation body, indignation body*

*Has No Body.*

on earth as it is in Heaven.

*Wide-eyed girls send God to voicemail.*

*777-3323*

*bury the father, bury Our Father*

~~MY~~ FATHER.
